HSEQ Environmental Policy 2 v1.2

Effective Date: 20/02/2008

Reviewed: 13/03/2009

'Lightening the Footprint of our Activities'

Fendley Consultancy is committed to ensuring that all operations will be conducted in an environmentally responsible manner. Fendley Consultancy strives to ensure that it complies with all appropriate environmental and petroleum legislation.

Fendley Consulting is committed to operating safely, reliably, and efficiently, delivering services in a manner that meets community needs and expectations.

Accordingly, Fendley Consultancy, its personnel and consultants' activities, will be planned and conducted to minimize and where possible avoid adverse effects on the natural environment and social surroundings for the benefit of current and future generations.

To achieve our environmental objectives and in implementing this policy Fendley Consultancy and its personnel and consultants will:

- Ensure that environmental considerations form part of our planning and decision-making processes.
- Promote a culture of responsible environmental management.
- Protect the natural environment and social surroundings, preserve biodiversity, prevent pollution and minimise waste.
- Comply with applicable environmental laws and aspire to higher standards within the business.
- Continually improve our environmental performance.
- Communicate openly and transparently with stakeholders on environmental matters.
- Engage the community in environmental initiatives aligned with our business values.
